

## Support For Pasifika Applying for the Wage Subsidy

### Providing end-to-end support for Pasifika

The Pacific Business Trust (PBT), in partnership with MSD, is providing sole traders, businesses and self-employed Pasifika with a wraparound support service to assist with applications for the Wage Subsidy.

Our team can do a quick assessment over the phone to help you create, provide or access the important documentation you need in order to apply for financial support.

PBT welcomes contact from Pasifika people who may be experiencing difficulty accessing the Wage Subsidy, or who need guidance or advice around eligibility.

Our service is free, so get in touch, we'd love to hear from you. Malo 'aupito.
